

# Aligning IEPs to Academic Standards

## Table Of Contents

### Chapter 1/Introduction

What Does Alignment to Academic Standards Mean?  
Further Understanding Alignment  
Selecting IEP Goals to Promote Alignment  
IEP Creates Access to the Curriculum  
Writing Measurable IEP Objectives  
Developing Short Term Objectives  
Writing Measurable Goals  
Active Objectives for Academic Learning  
Strategies for Alignment to State Standards

### Chapter 2

Promote Broad Skills in Literacy and Mathematics  
Promoting Literacy Skills  
Present Level of Performance  
Promoting Mathematics Skills

### Chapter 3

Focus on Self-Determination  
Components of Self-Determination  
Incorporating Self-Determination  
Expanding Academic Objectives to  
Include Self-Determination

### Chapter 4

Using Assistive Technology  
Reading Scenarios  
Writing Scenarios  
Math Scenarios

### Chapter 5

Using a Functional Activity to Help Make the Standard Meaningful  
Example of Functional Applications of Geometry Skills

### Chapter 6

Practicing Alignment to State Standards  
Aligning Language Arts Objectives  
Aligning Math Objectives  
Case Study Example
